

It's A New Year!

It is hard to believe that Y2K is now 10 years behind us! Isn't it funny how big a deal it was then, and now what? Nothing ever came of it and we are ten years down the road. Many people think of the Bible this way-especially Bible prophecy, but with God's Word, the outcome will be completely different. Oh yes, there are many who incorrectly interpret the Scriptures and burst forth on the scene declaring a holiday, and they are eventually proven wrong and things go on. It is because of people like this that many fulfill the scripture in 2 Peter 3:4 that says, "They will say, 'Where is this "coming" he promised? Ever since our fathers died, everything goes on as it has since the beginning of creation.'" But as Peter later admonishes, time is irrelevant with God. He has promised His coming, and He Will Come! It is this fact that motivates our ministry. It is this truth that spurs us on in our faith. Even so, come quickly, Lord Jesus!

SOLD!:

Our Benton house did finally sell a few weeks ago! Praise the Lord. Now our family is going through a "recovery" process, attempting to get our finances back in order, and proceeding to the future. Thank you to everyone who has prayed so diligently with us on this matter.

We have already purchased a new home in Texarkana. We are living on 6 acres outside of town. For now we are living in a mobile home that was already located on the property. We have committed to praying about our next step for 6 months before we make any moves. While we are relatively sure we will have to build something bigger, we do not want to get ahead of God. Our prayers are that God will give us wisdom in what to do, and the financial means, or other means to do it without going into debt. Please help us pray toward this goal.

What's Next?

Well, of course, Easter come early this year, so...But other than that...Preparations are under way for our next mission trip with our church to Belize in March. This will be the first mission trip that Unity has taken in a long time. Please be in prayer as we make preparations for this great ministry opportunity. In February, Alison and I will be singing at a missions conference at Nevills Chapel Baptist Church in Mt. Pleasant, TX. January is looking pretty open for now, but will, no doubt, fill up quickly. Praise the Lord for the opportunity to minister through music!

Prayer Needs:

- Direction with our house situation
- Finances for the House, Mission Trip(s), and other ministries.
